

UConn Department of Chemistry presents the 2015 R.T. Major Lecture Series

# RIBOSOMES, RESISTANCE AND THE EMERGENCE OF THE GENETIC CODE

## APRIL 6

**2PM** **Poster Session and Refreshments**  
Chemistry Building Atrium

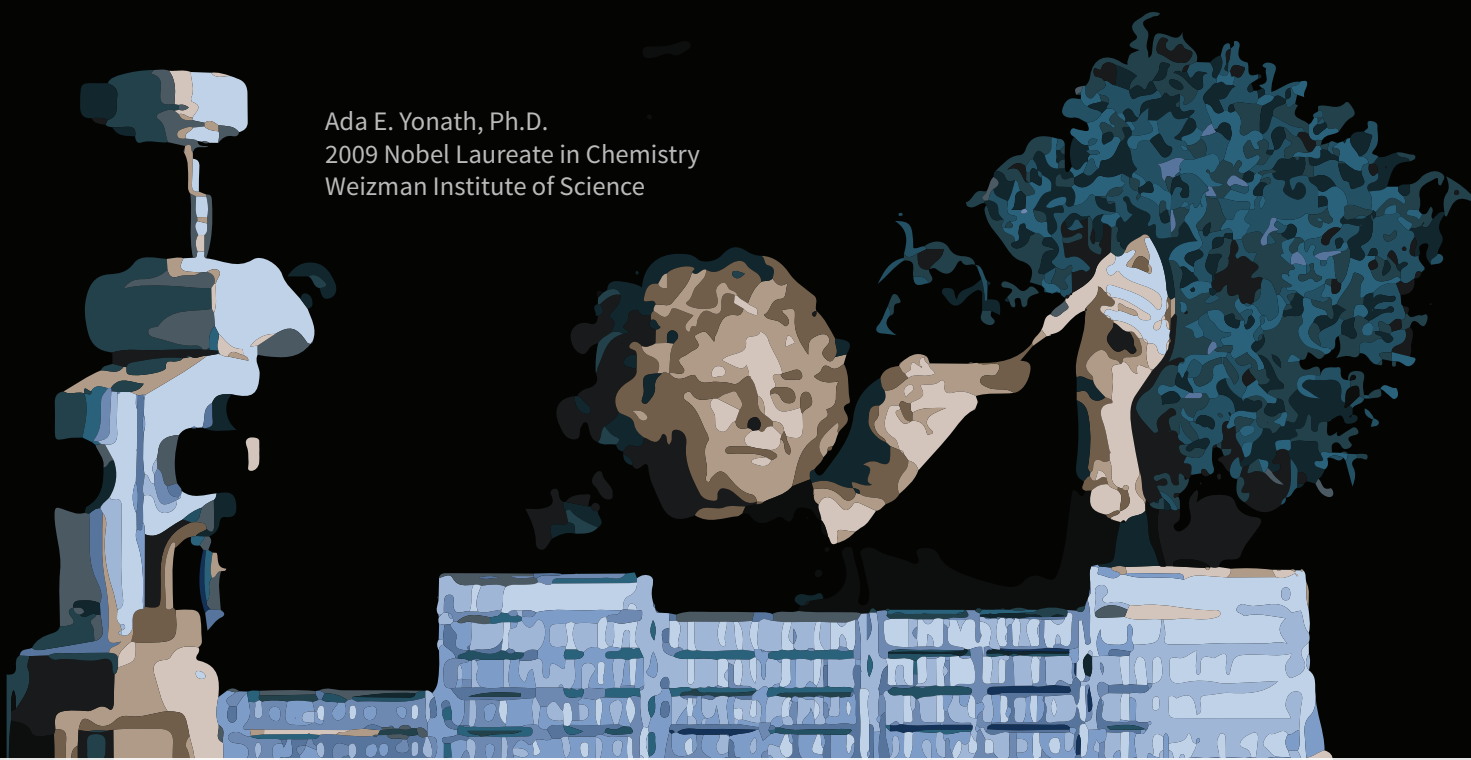

**4PM** *The Amazing Ribosome and its Tiny Enemies*  
Ada E. Yonath, Ph.D. | Chemistry A-120

**6PM** **Dinner, Reception & Graduate Awards**  
University of Connecticut Alumni House

## APRIL 7

*Climbing the Everest beyond the Everest* **11AM**  
Ada E. Yonath, Ph.D. | Chemistry A-203

Ada E. Yonath, Ph.D.  
2009 Nobel Laureate in Chemistry  
Weizman Institute of Science
